ETC.	<p>CAILYN cosmetics is the leading cosmetic retailer and wholesaler of innovative all natural, mineral based makeup that wearers can feel confident in. Their product lines are micro-formulated with superior minerals and botanicals instead of the synthetics or fillers found in many brands. The brand was launched over ten years ago by Smile World Inc., a manufacturer and supplier of high grade mineral cosmetics for private labeling companies, as well as skin care products for doctors, spas, salons, and big brand cosmetic companies</p> <p>As a trendsetter in the cosmetic industry, CAILYN Cosmetics constantly strives to introduce innovative products that the markets has ever seen or expected. recognized for high quality ingredients and innovative concepts, CAILYN Cosmetics products are carried by numerous high-end spas and salons throughout the United States. Additionally, our continuous effort to deliver highest quality products at reasonable prices results in expanding our distribution network around the world.</p>
